

A+® Certified Professional

Authorized Partner

We are your local computer and printer repair service provider of Albuquerque, Rio Rancho, Bernalillo and local areas.

90 day warranty for service labor and 15 days for virus removal.

Guaranteed results or your money back.

We service all Mac and PC Computers

Tech505 Technology Solutions, locally owned and operated, has been specializing in providing customized quality computer and printer service and sales in the Albuquerque and local areas. With many satisfied clients, home users and business owners alike, our company has been acquiring new customers mostly on a word of mouth basis. We know how to provide our clients with great personalized computer service at an affordable price.

We understand that all computers and issues are different varying on the software, hardware, age and user settings. We offer fixed rates and do not charge by the hour. So if it takes us longer to troubleshoot and repair your equipment, we don't cost you more. By choosing us, you will always be confident that you are not surprised by big or hidden fees. Our work is warranted for 90 days or your money back. Thank you for supporting our local economy.

Service Areas:

Albuquerque, Bernalillo, Rio Rancho, Los Lunas, Belen, Edgewood and all local areas.

Service Hours:

8:00 am - 8:00 pm Every Day

We look forward to servicing all your technology needs.
